

Custom products are standard for B&R Technology

Bring us your special requirements and we will provide a quotation, typically at standard scale pricing. Here are some of the most popular special feature units:

7500 Money Manager Scale - Several versions

Displays the QUANTITY and/or \$VALUE of standard coin values (specify US or Canada) based on predetermined average piece weights for the coins. Simplified, streamlined operation. Coin weights can be modified. Heavy duty cast construction. Choose count or value of Penny, Nickel, Dime, OR Quarter version OR custom token.

- ◆ Quarter Scale: Used for field reconciliation in the vending industry - Quarters only
- ◆ All Coins: Present weight for Penny, Nickel, Dime, Quarter
- ◆ Version set up for 'count by tenths' for paper brick verification
- ◆ Versions for PULL TABS, tokens, or custom units - contact factory
- ◆ AC or AC/DC units + 12 VDC vehicle power
- ◆ 4 Year Warranty

7500+ Basis Weight Scale for the Printing or Textile Industry

Weigh one sheet and display the REAM WEIGHT of a (choose) 480, 500, or 1000 sheet ream. Used in the paper and printing industry to determine the specifications of printing paper. Also used in the roofing and textile industry. Programmable multipliers for other applications can adapt to a wide range of standard and custom requirements.

- ◆ Standard 5 x 0.005 lbs/2250 x 0.5 g capacity, 8 x 8" platform
- ◆ Other capacities have SS 12 x 14" platform + v-trough or clip to hold large oversized sheets
- ◆ Buttons for ZERO, Sample Set, UNITS, and PRINT

SPECIALTY ITEMS

7600+ Weights and Measures Package Checking Scale:

Developed specifically for Weights and Measures field inspectors to use when verifying the correct fill for packages in the field. Large SS platform is rugged enough for bags of potatoes, dog food, or feedstuffs yet with enough sensitivity for small packages. DUAL or TRIPLE RANGING resolution in all units. 0.56" LED display is easy to read in any low-light situation. Self contained battery pack. Rugged cast c onstruction will hold up in portable use.

- ◆ AC/DC operation with completely self-contained battery pack for 24-48 hours/charge
- ◆ Use the scale while recharging-- seamlessly switches to battery mode when unplugged
- ◆ Heavy duty power cord (no wall wart)
- ◆ FOUR standard units of measure: Lbs, Kgs, Ozs, and Grams
- ◆ Specify DUAL or TRIPLE range resolution
- ◆ Available in all capacities-- most popular are 20 lbs, 25 lbs, and 50 lbs
- ◆ 4 Year Limited Warranty

Remote Display Options/Accessories:

ANY Pennsylvania indicator can be set up as a remote display.
